Professional takeaways

- Paid teen roles at named institutions are the strongest current pattern: BPL Branch Council (16 to 19, rolling), NYSCI Explainers (rolling), Bronx Museum Teen Council (fall posting pending).
- Hospital volunteering is applied for in winter, not summer: NYP's window is January 1 to March 31 for the following summer. Calendar it for juniors now.
- The World Cup fan zones are free, official, and time bound: Bronx June 13 to 14 only; Queens needs an advance reservation (code QUEENSHQ).
- August 23 is the single most actionable deadline in the feed (Student Historian, paid, entering grades 10 to 12).
- One paid program deadline this week carries a pay to play flag (NYU Career Edge, June 12, \$2,579 per week); free alternatives at equal or better selectivity exist in this brief.
